Section 3: Paying Your Plan Premium

You can pay your Medicare Advantage plan monthly premium, or any determination of a late enrollment penalty, by mail, by Automatic Bank Draft Withdrawal, or by automatic deduction from your monthly Social Security benefit check. **If you have selected a \$0 premium plan without prescription drug coverage, you do not need to fill out this section.**

People with limited incomes may qualify for Extra Help to pay for their prescription drug costs. If you qualify, Medicare could pay for 75% of your drug costs including monthly prescription drug premiums, annual deductibles, and co-insurance. Additionally, those who qualify won't have a coverage gap or a late enrollment penalty. Many people are eligible for these savings and don't even know it. For more information about this Extra Help, contact your local Social Security office, or call Social Security at 1-800-772-1213. (TTY users call 1-800-325-0778). You can also apply for Extra Help online at www.socialsecurity.gov/prescriptionhelp.

If you qualify for Extra Help with your Medicare prescription drug coverage costs, Medicare will pay all or part of your plan premium. If Medicare pays only a portion of this premium, we will bill you for the amount that Medicare does not cover.

How would you like to pay your monthly Medicare Advantage plan premium? If you don't select a payment option, you will get a bill each month. Please check the appropriate box:

- Automatic Bank Draft Withdrawal. Please send us a VOIDED check and fill in the requested information, which allows us to deduct your monthly payment from your bank account.

By selecting Automatic Bank Withdrawal, I authorize the bank or financial organization named below to pay my premium through electronic bank withdrawal payable to TexanPlus HMO. The bank or other financial organization will be fully protected in honoring these payments until written notice from me canceling this request is received.

Section 7: Please Read and Sign on Page 6

By completing this enrollment application, I agree to the following:

TexanPlus HMO is a Medicare Advantage plan and has a contract with the Federal government. I will need to keep my Medicare Parts A and B. I can be in only one Medicare Advantage plan at a time, and I understand that my enrollment in this plan will automatically end my enrollment in another Medicare health plan or prescription drug plan. It is my responsibility to inform you of any prescription drug coverage that I have or may get in the future. I understand that if I do not have Medicare prescription drug coverage, or creditable prescription drug coverage (as good as Medicare's), I may have to pay a late enrollment penalty if I enroll in Medicare prescription drug coverage in the future. Enrollment in this plan is generally for the entire year. Once I enroll, I may leave this plan or make changes only at certain times of the year when an enrollment period is available (Example: November 15 – December 31 of every year), or under certain special circumstances.

TexanPlus HMO serves a specific service area. If I move out of the area that TexanPlus HMO serves, I need to notify the plan so I can disenroll and find a new plan in my new area. Once I am a member of TexanPlus HMO, I have the right to appeal plan decisions about payment or services if I disagree. I will read the Evidence of Coverage from TexanPlus HMO when I get it to know which rules I must follow to get coverage with this Medicare Advantage plan. I understand that people with Medicare are not usually covered under Medicare while out of the country except for limited coverage near the U.S. border.

I understand that beginning on the date TexanPlus HMO coverage begins, I must get all of my health care from TexanPlus HMO, except for emergency or urgently needed services or out-of-area dialysis services. Services authorized by TexanPlus HMO and other services contained in my TexanPlus HMO Evidence of Coverage document (also known as a member contract or subscriber agreement) will be covered. Without authorization, NEITHER MEDICARE NOR TexanPlus HMO WILL PAY FOR THE SERVICES.

I understand that if I am getting assistance from a sales agent, broker, or other individual employed by or contracted with TexanPlus HMO, he or she may be paid based on my enrollment in TexanPlus HMO.

Authorization to release information:

By joining this Medicare health plan, I acknowledge that TexanPlus HMO will release my information to Medicare and other plans as is necessary for treatment, payment and health care operations. I also acknowledge that TexanPlus HMO will release my information, including my prescription drug event data, to Medicare, who may release it for research and other purposes which follow all applicable Federal statutes and regulations. The information on this enrollment form is correct to the best of my knowledge. I understand that if I intentionally provide false information on this form, I will be disenrolled from the plan.

I understand that my signature (or the signature of the person authorized to act on my behalf under the laws of the State where I live) on this application means that I have read and understand the contents of this application. If signed by an authorized individual (as described above), this signature certifies that: 1) this person is authorized under State law to complete this enrollment and 2) documentation of this authority is available upon request by TexanPlus HMO or by Medicare.

Typically, you may enroll in a Medicare Advantage plan during the annual enrollment period between November 15 and December 31 of each year. In addition, you can join a Medicare Advantage plan during the open enrollment period between January 1 and March 31 of each year, as long as you don't add or drop your prescription drug coverage. (for example, if you have Medicare prescription drug coverage you can only change to another plan with Medicare prescription drug coverage; if you do not have Medicare prescription drug coverage you can only change to another plan without Medicare prescription drug coverage).

Additionally, there are exceptions that may allow you to enroll in a Medicare Advantage plan outside of these periods. Please read the following statements carefully and check the box if the statement applies to you. By checking any of the following boxes you are certifying that, to the best of your knowledge, you are eligible for an Enrollment Period. If we later determine that this information is incorrect, you may be disenrolled.

Please indicate your enrollment period:
