Today's Options® PFFS is a Medicare-approved Medicare Advantage plan offered by the following organizations that contract with the Federal government: American Progressive Life & Health Insurance Company of New York and The Pyramid Life Insurance Company, members of the Universal American family of companies.

A Medicare Advantage Private Fee-for-Service plan works differently than a Medicare supplement plan. Your doctor or hospital is not required to agree to accept the plan's terms and conditions, and thus may choose not to treat you, with the exception of emergencies. If your doctor or hospital does not agree to accept our payment terms and conditions, they may choose not to provide healthcare services to you, except in emergencies. Providers can find the plan's terms and conditions on our website at [www.todaysoptions.com](http://www.todaysoptions.com).
