Medicare Advantage Special Needs Plan

2012 **DIRECTORY OF HEALTHCARE PROVIDERS**

The Tribute HMO directory provides a list of network providers.

This directory is for the Carter, Cleveland, Garvin, Jefferson, Johnston, Love, McClain, Murray, Oklahoma and Stephens counties in Oklahoma.

UNIVERSAL
AMERICAN

A Healthy Collaboration[®]

The directory is current as of February 2012. Some network providers may have been added or removed from our network after this directory was printed. We do not guarantee that each provider is still accepting new members. To get the most up-to-date information about Tribute network providers in your area, you can visit www.SCOklahoma.com or call Member Services at 1-800-817-3515, 8:00 a.m. to 8:00 p.m. in your local time zone (TTY Users call 1-800-958-2692) 7 days a week.

Section 1 – Introduction

This directory provides a list of Tribute’s network providers. To get detailed information about your healthcare coverage, please see your Evidence of Coverage.

The network providers listed in this directory have agreed to provide you with your health care coverage, however, some services may require a referral. If you have been going to one network provider you are not required to go to the same provider, but you must select a new provider that is associated with the Skilled Nursing Facility in which you reside. In some cases, you may get covered services from non-network providers. Services should be provided or arranged by your contracted Tribute primary care physician except in emergency, post-stabilization, out of area renal dialysis and some urgently needed care situations. If you receive routine care from a non-network physician or healthcare provider, neither Medicare nor Tribute will be responsible for the cost. Mental health and substance abuse services require intake screening and are provided through a mental health provider at 1-800-817-3515, 8:00 a.m. to 8:00 p.m. in your local time zone. (TTY users should call 1-800-958-2692) 7 days a week.

Coverage Outside of the Plan’s Service Area

Urgent Care

If you are temporarily outside our plan’s service area, but still within the United States and you have a need for urgent care, you may not be able to find or get to one of the providers in our plan’s network. In this situation (when you are outside the service area and cannot get care from a network provider), our plan will cover urgently needed care that you get from any provider at the lower in-network cost sharing amount.

Emergency Care

If you have an emergency, we may talk with the doctors who are giving you emergency care to help manage and follow up on your care. The doctors who are giving you emergency care will decide when your condition is stable and the medical emergency is over. After the emergency is over you are entitled to follow-up care to be sure your condition continues to be stable. Your follow-up care will be covered by our plan. If your emergency care is provided by non-network providers, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow. We will talk with the doctors who are giving you emergency care to help manage and follow up on your care. When the doctors who are giving you emergency care say that your condition is stable and the medical emergency is over then you are still entitled to follow-up post stabilization care. Your follow-up post-stabilization care will be covered according to Medicare guidelines.

Claims

If a non-contracted physician or healthcare provider sends a bill directly to you, call Member Services. If a non-contracted physician or healthcare provider sends a bill for out-of-area emergencies or urgently needed care directly to you, do not pay the bill. Any bill(s) sent directly to the enrollee must be submitted to Tribute as soon as possible. The claims address is on the back of your ID card.
