## Section 1 – Introduction

---

This directory provides a list of Today's Options' PPO network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

## About Your Physician and Healthcare Provider Directory

---

This directory contains the names, addresses, and telephone numbers of contracted doctors, hospitals, and healthcare providers (including but not limited to durable medical equipment, home health care, skilled nursing facilities, radiology centers, hearing and speech therapy providers, and physical/occupational therapy, vision and dental providers) that are contracted to provide services to Today's Options PPO enrollees. Services should be provided or arranged by your contracted Today's Options PPO Primary Care Physician except in emergency, post-stabilization, out-of-area renal dialysis and some urgently needed care situations.

## What Is the Service Area for Today's Options PPO?

---

The counties and/or the specific county zip code areas served by a Medicare Advantage plan are called a "service area." The service area for Today's Options PPO includes the following counties:

**Iowa:**

**Pottawattamie**

**Nebraska:**

**Douglas, Sarpy, Washington**

## How do you find Today's Options PPO providers in your area?

---

Please use this Provider Directory to locate a network provider closest to your home. The provider list in this booklet is broken out by different provider type. Or you can use the Provider Portal located on our web site at [www.TodaysOptionsPPO.com](http://www.TodaysOptionsPPO.com) to view providers in your area. You can also call Member Services at 1-866-422-5009, 8:00 a.m. to 8:00 p.m. in your local time zone (TTY users call 1-877-907-2985) 7 days a week to help you find a provider.

## Physicians Network

---

This guide provides a directory of physicians and other healthcare providers in the service area who participate in Today's Options PPO. Use this guide to select a Primary Care Physician. Your Primary Care Physician may determine the specialists available to you.

## Selecting Your Primary Care Physician

---

The main purpose of this directory is to help you select a Primary Care Physician. The best way to meet your total healthcare needs is to have your care coordinated by one physician who knows you and your health history. As the manager of your healthcare, a Primary Care Physician serves as your total care coordinator and can assist you in finding the appropriate specialist when necessary. He or she is available to patients 7 days a week, 24 hours a day through regularly scheduled or on-call coverage.

## Changing Your Primary Care Physician

---

Because it is important for you to feel comfortable with your Primary Care Physician, you may change your Primary Care Physician at any time by writing to us at the address listed on the back of your Today's Options PPO ID card or by calling Member Services at 1-866-422-5009, 8:00 a.m. to 8:00 p.m. in your local time zone (TTY users call 1-877-907-2985) 7 days a week. The change will be effective the first of the month following our receipt of your request. The Primary Care Physicians in this directory are arranged alphabetically, by specialty, with an alphabetical physician index in the back of the directory.

### **Sample Contracted Physician Listing:**

Family Practice	specialty
John Sample, MD	physician practice name
120 Main Street	address
(xxx) xxx-xxxx	telephone number
Provider ID #	12345

## Selecting a Specialist

---

If you think you need to visit a specialist, talk to your Primary Care Physician. He or she can help you determine if you need to see a specialist and assist you with finding one who meets your needs. Your Primary Care Physician will provide you with a referral, if required.

The presence in this directory of a particular specialty provider does not guarantee your access to that provider for covered services. Your Primary Care Physician selects the specialty provider to whom you will be referred. Talk to your Primary Care Physician about your need for specialty services. If your Primary Care Physician denies a referral to the specialty care provider of your choice, you have the right to appeal.

## Contracted Hospitals

---

Hospitals listed in this directory are contracted to provide inpatient and outpatient hospital services. Your Primary Care Physician will need to coordinate and arrange any necessary hospital or specialty care and obtain prior authorization, if required. Please refer to your Evidence of Coverage for limitations that apply to hospital coverage.

## Accessing Services Outside the Plan Service Area

---

You can access elective services outside your Plan service area from any participating Today's Options PPO provider in any market and you will only be responsible for in-network out-of-pocket costs for services rendered by these providers. With the exception of emergencies or urgent care, it may cost more to get care from out-of-network providers. Please call Member Services who can assist you in locating a participating Today's Options PPO provider.

## Emergency Room Services

---

You have a lot of options when deciding where to get medical care such as Primary Care Physician offices, urgent care centers and hospital emergency rooms. We encourage you to contact your Primary Care Physician if you are not certain where to get the medical care you need. He or she is familiar with your medical history and can help manage your medical care.

With Today's Options PPO, you are always covered for emergencies. Emergency health services are provided by qualified physicians and healthcare providers and are needed to evaluate or stabilize an emergency medical condition. An emergency medical condition generally refers to an injury or illness that happens suddenly and includes acute symptoms of sufficient severity, including severe pain. Emergency medical conditions appear to a prudent layperson that, without immediate medical attention, the illness or injury could result in:

- serious jeopardy to your health;
- serious impairment to a bodily function; or
- serious dysfunction of any organ or part.

Examples of emergency medical conditions may include:

- loss of consciousness;
- intense and uncontrollable pain;
- severe shortness of breath that prevents you from talking; or
- an accident involving a head injury or possible broken bones.

Today's Options PPO covers emergency health services worldwide. If you experience an emergency medical condition, do not hesitate to seek medical care. You are not required to use contracted Today's Options PPO hospitals or doctors for emergency medical conditions.

Simply:

1. Call 911 or go to the nearest emergency medical facility.
2. Present your Today's Options PPO ID card.
3. Notify your PCP within 48 hours or as soon as possible (or have someone do it for you).
4. Contact your PCP for any necessary follow up care or instructions. Continued care by a non-contracted physician or healthcare provider will need a referral from your PCP, or you may be asked to return to the service area for further follow-up care.

Emergency services are eligible for coverage under your Evidence of Coverage and will be covered regardless of whether the hospital is in our contracted network. If you receive services in a hospital emergency room, you are responsible for the copayment as specified in your Evidence of Coverage. If you have an emergency admission to a non-contracted hospital, Today's Options PPO may work with your PCP to move you to a contracted hospital when it is safe to do so.

## 24/7 Health Hotline

---

Health concerns or questions can occur at any time of the day or night. Our toll-free 24/7 Health Hotline provides you with a team of friendly, experienced Registered Nurses who will help guide you to make the best medical and well-being decisions. Today's Options' PPO 24/7 Health Hotline is only a phone call away, 24-hours-a-day, 7 days a week, even on holidays. Whether you need more information about your condition, or if you are unsure if you should see your doctor, 24/7 Health Hotline can assist you with answers.

You can always get the help you need by calling 1-866-684-8062 (TTY users call 1-866-684-9066).

## Covered Services

---

When selecting a physician or healthcare provider to treat you and when making each appointment, verify the participation status of the physician or healthcare provider to be sure the services will be eligible for maximum coverage through your benefits. Please see your Evidence of Coverage for details about covered benefits.

## Claims

---

If a contracted physician or healthcare provider sends a bill directly to you, call your Member Services Advocate. If a non-contracted physician or healthcare provider sends a bill for services rendered directly to you, do not pay the bill. The bill must be submitted to Today's Options PPO as soon as possible. The claims address is on the back of your Today's Options PPO ID card.

## Pre-service Authorization

---

Certain healthcare services, such as referrals to specialists, hospitalization, and outpatient surgery, may require prior authorization with Today's Options PPO to ensure coverage for those services. If you do not obtain prior authorization, you may be financially responsible for the services. Your provider should process referrals for these services on your behalf.

## Questions

---

Don't hesitate to call Member Services at 1-866-422-5009, 8:00 a.m. to 8:00 p.m. in your local time zone (TTY users call 1-877-907-2985) 7 days a week with any questions about the Today's Options PPO network of physicians and hospitals or for help in selecting a Primary Care Physician.

This directory is current as of August 2011 but is subject to change. Today's Options PPO will issue new directories on a regular basis. ---

Esta guía brinda un directorio de médicos y otros proveedores de cuidados de salud en el área de servicio que participan en Today's Options PPO. Utilice esta guía para escoger su Médico de Atención Primaria. Su Médico de Atención Primaria podrá determinar los especialistas que están disponibles para usted.

## Cómo escoger su Médico de Atención Primaria

---

El objetivo principal de este directorio es ayudarle a escoger su Médico de Atención Primaria. La mejor forma de satisfacer todas sus necesidades de salud es que su cuidado sea coordinado por un médico que lo conozca a usted y conozca su historial médico. Como administrador de sus cuidados de salud, el Médico de Atención Primaria se desempeña como el coordinador de sus cuidados y puede ayudarle a encontrar el especialista indicado cuando sea necesario. Su médico estará disponible para los pacientes los 7 días de la semana, las 24 horas del día, durante el horario de cobertura programada o en horarios de guardia.

## Cómo cambiar su Médico de Atención Primaria

---

Como es importante que usted se sienta a gusto con su Médico de Atención Primaria, podrá cambiar su Médico de Atención Primaria en cualquier momento escribiéndonos a la dirección que se encuentra al dorso de su tarjeta de identificación Today's Options PPO o llamando a Servicios para Miembros al 1-866-422-5009, 8:00 a.m. a 8:00 p.m. en su zona horaria local (los usuarios de TTY deben llamar al 1-877-907-2985) 7 días a la semana. ### Listado de médicos contratados, ejemplo:

Medicina Familiar	especialidad
John Sample, MD	nombre de la práctica del médico
120 Main Street	dirección:
(xxx) xxx-xxxx	número telefónico:
No. de identificación del Proveedor	12345

## Cómo escoger un especialista

---

Si usted cree que debe visitar a un especialista, hable con su Médico de Atención Primaria. Su médico puede ayudarle a determinar si necesita ver a un especialista y darle asistencia para encontrar uno que cumpla con sus necesidades. Su Médico de Atención Primaria le hará una derivación, si es necesario.

La presencia de un especialista en particular en este directorio no garantiza su acceso a ese especialista para obtener los servicios cubiertos. Su Médico de Atención Primaria escoge el médico especialista al cual será derivado. Hable con su Médico de Atención Primaria acerca de la necesidad de servicios especializados. Si su Médico de Atención Primaria niega la derivación al médico especialista que usted elija, usted tiene derecho a hacer un reclamo.

## Hospitales contratados

---

Los hospitales listados en este directorio están contratados para prestar servicios a pacientes hospitalizados y ambulatorios. Su Médico Atención Primaria deberá coordinar y disponer todos los cuidados hospitalarios o especializados y obtener la autorización previa, si es necesaria. Remítase a su Evidencia de Cobertura para ver las limitaciones que aplican a su cobertura hospitalaria.

## Cómo acceder a servicios fuera del área de servicios del Plan

---

Usted puede acceder a servicios electivos, por fuera de su área de servicios del Plan, con cualquier proveedor que participe en Today's Options PPO en cualquier mercado y sólo será responsable del pago de los gastos de bolsillo dentro de la red por servicios prestados por dichos proveedores. Excepto las emergencias y la atención de urgencia, puede ser más costoso obtener cuidados de proveedores que están fuera de la red. Por favor llame a Servicios para Miembros, quienes podrán ayudarle a ubicar a un profesional que participe en Today's Options PPO.

## Servicios de emergencia

---

Usted cuenta con muchas opciones para decidir el lugar donde puede recibir atención médica tales como consultorios de Médicos de Atención Primaria, centros de consulta urgente y salas de emergencias en hospitales. Si no está seguro del lugar donde puede obtener la atención médica que necesita, le recomendamos que se ponga en contacto con su Médico de Atención Primaria. Su médico está familiarizado con su historial médico y puede ayudar a manejar su atención médica.

Con Today's Options PPO usted siempre está cubierto en emergencias. Los servicios de emergencias médicas son prestados por médicos y profesionales de salud calificados, y se requieren para evaluar o estabilizar una condición médica de emergencia. Una condición médica de emergencia generalmente se refiere a una lesión o enfermedad que ocurre abruptamente e incluye síntomas agudos de gravedad suficiente, incluyendo dolor grave. Las condiciones médicas de emergencia son aquellas en las cuales la enfermedad o lesión puede, sin la atención médica inmediata, llevar a:

- riesgo grave para su salud;
- daño grave a una función corporal; o
- alteración grave de cualquier órgano o parte

Como ejemplos, las condiciones médicas de emergencia pueden incluir:

- pérdida del conocimiento;
- dolor intenso y difícil de controlar;
- dificultad grave para respirar, que le impide hablar; o
- un accidente que incluye lesión de la cabeza o posibilidad de fracturas en los huesos

Today's Options PPO cubre servicios de emergencias médicas en todo el mundo. Si usted sufre una condición médica de emergencia, no dude en buscar ayuda médica. En caso de condiciones médicas de emergencia, no es necesario el uso de hospitales o médicos contratados por Today's Options PPO.

Simplemente:

1. Llame al 911 o vaya al centro de emergencias médicas más cercano.
2. Presente su tarjeta de identificación de Today's Options PPO.
3. Avise a su Médico de Atención Primaria dentro de las 48 horas posteriores o lo antes posible (o pídale a alguien que lo haga por usted).
4. Póngase en contacto con su Médico de Atención Primaria para el seguimiento o las instrucciones que sean necesarias. El cuidado posterior y continuo por parte de un médico o proveedor de cuidados de salud que no esté contratado requerirá una derivación por parte de su Médico de Atención Primaria, o puede que se le pida que regrese al área de servicio para un seguimiento posterior.

Los servicios de emergencias cumplen los requisitos de cobertura bajo su Evidencia de Cobertura y serán cubiertos independientemente de si el hospital está o no en nuestra red de contratación. Si usted recibe servicios en una sala de emergencias de un hospital será responsable del copago, tal y como se especifica en su Evidencia de Cobertura. Si, a causa de una emergencia, usted es admitido a un hospital no contratado, Today's Options PPO podrá trabajar con su Médico de Atención Primaria para trasladarlo a un hospital contratado en el momento en que sea seguro hacerlo.

## Línea de Salud 24/7

---

Puede haber inquietudes o preguntas sobre la salud en cualquier momento del día o de la noche. Nuestra Línea de Salud 24/7 gratuita le brinda un equipo de Enfermeras Registradas amables y experimentadas, quienes le servirán de guía para tomar las mejores decisiones médicas y de bienestar. Sólo tiene que llamar a la Línea de Salud 24/7 de Today's Options PPO que está disponible las 24 horas del día, los 7 días de la semana, incluyendo los días festivos. Ya sea que necesite más información acerca de su enfermedad o que no esté muy seguro de si debe ver al médico, la Línea de Salud 24/7 puede brindarle respuestas.

Siempre podrá obtener la ayuda que necesita llamando al 1-866-684-8062 (los usuarios de TTY deben llamar al 1-866-684-9066).

## Servicios Cubiertos

---

En el momento en que escoja un médico o proveedor de cuidados de salud para recibir su tratamiento, y cuando haga su cita, verifique la participación del médico o proveedor de cuidados de salud para estar seguro de que los servicios cumplen las condiciones para una cobertura máxima a través de su plan de beneficios. Para obtener más detalles acerca de sus beneficios, remítase a su Evidencia de Cobertura.

## Reclamos

---

Si un médico o profesional de salud contratado le envía una factura directamente a usted, comuníquese con un Defensor de Servicios para Miembros. Si un médico o profesional de salud no contratado le envía una factura por servicios prestados directamente a usted, no pague la factura. La factura debe ser enviada a Today's Options PPO lo más pronto posible. La dirección de reclamos esta al dorso de su tarjeta de identificación de Today's Options PPO.

## Autorización antes del servicio

---

Ciertos servicios de salud, tales como derivación a especialistas, hospitalizaciones y cirugía ambulatoria, pueden requerir autorización previa de Today's Options PPO para asegurar la cobertura de dichos servicios.

Si no obtiene la autorización previa puede ser responsable financieramente por estos servicios. Su médico debe procesar las derivaciones para estos servicios en su nombre.

## Preguntas

---

No dude en llamar a Servicios para Miembros al 1-866-422-5009, 8:00 a.m. a 8:00 p.m. en su zona horaria local (los usuarios de TTY deben llamar al 1-877-907-2985) 7 días a la semana siempre que tenga alguna pregunta acerca de la red de médicos y hospitales de Today's Options PPO, o para obtener ayuda al escoger su Médico de Atención Primaria.

Este directorio está actualizado a Agosto 2011 pero está sujeto a cambios. Today's Options PPO publicará directorios nuevos de forma regular.
